

Completion Rates

	2012	2013
Number of students who began the program:	618	529
Number of Graduates:	618	527
Completion Rate:	100%	99.6%

Note: CISL students choose the length of their course, so any students who enroll and attend classes will successfully complete the course. Students may change programs throughout the year, so each student participates in one or more courses throughout the year. Therefore, the sum of the number of students by program is greater than the total number of unique students enrolled in the school in any given year. In 2013, two students were removed from the school due to poor attendance.

Students completing after published program length

0 students completed the program after the published program length because there is no published program length. Student can choose the length of their course and may study anywhere from 1 to 52 weeks each year.

Placement Rates

N/A; CISL does not offer courses that result in certain careers, occupations, vocations, or jobs.
