

2016 INTENSIVE ENGLISH COURSE

COURSE DESCRIPTION

The Intensive English Course trains students to become confident and fluent when using English in everyday situations with weekly collaborative projects and engaging tasks.

INTENSIVE CURRICULUM

Students who participate in this course will learn how to:

- Utilize their existing language knowledge to convey meaning whether they are expressing ideas, gathering information, collaborating with others, reporting information, or doing a variety of other everyday communicative tasks.
- Use compensation strategies to collaborate with people with varying degrees of English proficiency and from various cultural and linguistic backgrounds.
- Identify their strengths and weaknesses in English communication and learn how to use that knowledge to improve their use of English.

PROJECT BASED LEARNING

This project-based course enables students to experiment with language and focus on using their English skills to complete projects that simulate real-life experiences.

Example projects:

- Training others on safety procedures
- Planning a mock event
- Creating a newsletter
- Designing a board game

“ My speaking and writing improved the most. I preferred my Intensive class because it made me work hard and that’s what I needed. I came to study and not just take a vacation. The Intensive course gave us a lot of vocabulary and now I can read a book in English if I want.” **HADEEL, SAUDI ARABIA**
