Established in 1972, Converse International School of Languages (CISL) is recognized throughout the world as a leader in effective English language training. Our all-inclusive International Junior Progams offer a CISL-created curriculum consisting of enrichment courses providing an introduction to Speaking and the Arts, Exam Preparation Strategies, STEM), and and leadership. These interactive lessons go above and beyond the standard ESL program. Designed to challenge and engage students, our program will give your student the analytic and critical thinking skills necessary for their future at university and beyond. In addition to our morning lessons, we provide twice-weekly afternoon Cultural Workshops which encourage fluency, spontaneous use of the language, and focus on life in the U.S.A.

Students also participate in a fun-filled activity program, and live in either homestay, campus dormitory or residence accommodations. These experiences help students gain confidence, develop life-skills, encourage effective communication and build life-long international friendships. The Junior Program staff provides personalized and quality customer service throughout the enrollment process and during the program. Our team prides itself on its ability to exceed expectations to ensure a positive experience for all.
