Students must achieve at least 70% on course work and at least 70% on the end-of-course test in order to move up a level at CISL San Diego and at least 80% on course work and at least 80% on the end-of-course test in order to move up a level at CISL San Francisco.

Morning Classes are held Monday- Friday 9:00 AM – 12:40 PM and afternoon classes are held Monday – Thursday 1:30 PM -3:10 PM

Standard English Course

The objectives of the Standard English Course are to help students use English with accuracy and confidence.

There are five levels of the Standard Program: Basic (A1), Lower-Intermediate (A2), Intermediate (B1),

Upper-Intermediate (B2), and Advanced (C1/C2) in San Francisco and ten levels of the Standard Program in San Diego. The cost of this course will vary depending on the number of weeks for which you enroll. Please refer to the CISL website and price list documents for the specific cost of the period for which you enroll.

English Test Preparation Program

The objectives of TOEFL, IELTS, and Cambridge Assessment English Test preparation courses help students to learn and master effective test-taking strategies as well as improve their general abilities to communicate in English.

The Cambridge Assessment English exams are popular with individuals who want a certificate showing their English proficiency, especially for job or educational opportunities. CISL is a test center for both the FCE and CAE exams, and students enrolled in CISL Cambridge Assessment English exam preparation courses have the opportunity to take the exam at school upon completion of the FCE or CAE courses. Students may talk to the Academic Manager for more details.

The TOEFL and IELTS exams are necessary for most non-native English speakers who want to attend colleges or universities in the United States or other programs where English proficiency is required.

Different schools require different TOEFL or IELTS scores, and the required score for admission is usually on the school's website. Students in the CISL TOEFL and IELTS preparation courses will strengthen their skills in academic English.

The cost of these courses will vary depending on the number of weeks for which you enroll. Please refer to the CISL website and price list documents for the specific cost of the period for which you enroll.

Business English Program

The objectives of the Business English Program are to help students learn the vocabulary, body language, and cultural aspects of business in the English speaking world. Students will practice interviewing skills, presentations, and other business activities. The courses do not teach how to do business; they teach students how to use English in a business setting, and students will gain confidence and ability with their business English skills. The Premier and Executive Courses are taught in small groups with a maximum of four students per class. Each week's lessons are based on the needs and goals of the students, and classes are structured to maximize the contact time between student and instructor.

The cost of these courses will vary depending on the number of weeks for which you enroll. Please refer to the CISL website and price list documents for the specific cost of the period for which you enroll.

Intensive English Program

The objectives of the Intensive English Program are to help students focus on oral communication, and the less formal side of English, including phrasal verbs, idioms, and slang. Each week, students will focus on current events and other topical issues and practice speaking and discussing those topics with appropriate vocabulary. In the EAP Course, students prepare for participating in an academic setting. The class teaches formal and academic writing skills.

The cost of these courses will vary depending on the number of weeks for which you enroll. Please refer to the CISL website and price list documents for the specific cost of the period for which you enroll.

Private lessons

The objectives of the Private lessons are negotiated by the student and instructor on the first day of class. Private one-to-one classes allow students to have lessons based on their specific needs. Students discuss and clarify their goals with the instructor in the first lesson and decide together what strategies they will use to reach these goals. Private lesson instructors write final evaluation reports for the students at the end of the course. The cost of this course will vary depending on the number of weeks for which you enroll. Please refer to the CISL website and price list documents for the specific cost of the period for which you enroll.

Profession or licensure

None of CISL’s English language programs lead to positions in a profession, occupation, trade or career field requiring licensure.

A nonimmigrant in the United States in a class defined in section 101(a)(15)(B) of the Act as a temporary visitor for pleasure, or section 101(a)(15)(C) of the Act as an alien in transit through this country, may not engage in any employment. Any other nonimmigrant in the United States may not engage in any employment unless he has been accorded a nonimmigrant classification which authorizes employment or he has been granted permission to engage in employment in accordance with the provisions of this chapter. A nonimmigrant who is permitted to engage in employment may engage only in such employment as has been authorized. Any unauthorized employment by a nonimmigrant constitutes a failure to maintain status within the meaning of section 241(a)(1)(C)(i) of the Act.

(10) Practical training. Practical training may be authorized to an F-1 student who has been lawfully enrolled on a full time basis, in a Service-approved college, university, conservatory, or seminary for one full academic year. This provision also includes students who, during their course of study, were enrolled in a study abroad program, if the student had spent at least one full academic term enrolled in a full course of study in the United States prior to studying abroad. A student may be authorized 12 months of practical training, and becomes eligible for another 12 months of practical training when he or she changes to a higher educational level. Students in English language training programs are ineligible for practical training. An eligible student may request employment authorization for practical training in a position that is directly related to his or her major area of study.

Notice Concerning Transferability of Credits and Credentials Earned at Our Institution

The following statement is required by the state of California.

The transferability of credits you earn at CISL is at the discretion of an institution to which you may seek to transfer. Acceptance of the CISL Graduation Certificate that you earn at CISL is also at the complete discretion of the institution to which you may seek to transfer. If the CISL Graduation Certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending CISL to determine if your CISL Graduation Certificate will transfer.

Probation and Dismissal

CISL promotes respect for people from all backgrounds and prohibits discrimination or harassment on the basis of race, color, religion, national origin, disability, sexual orientation, gender identity, sex, or age. If you are a victim of harassment by a classmate or a member of the school staff, please tell the School Director immediately. Any harassment is strictly prohibited, and any students who harass either CISL students or CISL employees will be expelled from the school.

Rude or disruptive students will be sent home for the remainder of the day and counted absent for any classes missed. Any students suspended from class for this reason three times will be dismissed from the course and a pro rata refund shall be provided to students who complete 60 percent or less of the period of attendance. The possession, use, sale, or distribution of illegal drugs is not permitted. If you violate this policy, you will be immediately expelled from the school.

Any student with a rate of attendance below 65% may be immediately expelled by the School Director.

Attendance

CISL is a serious learning environment. Attendance is mandatory for all CISL courses. Students must attend classes to benefit from language training at CISL, and students who choose to miss classes may lose privileges or be expelled from the school. Students with questions or concerns about the attendance policy or their attendance record should talk to the School Director. Any students with an F-1 visa who are expelled from CISL will also have their SEVIS record terminated.

Your attendance and performance is continually evaluated by CISL staff and teachers. Any student with a rate of attendance below 65% may be immediately expelled by the School Director.

In order to receive a CISL Graduation Certificate showing successful completion of the course, a student must have a final cumulative attendance of at least 85%.

Leave of Absence

If you plan to take a leave of absence from classes, you must first inform the Client Services Coordinator. You may stop your classes on a Friday prior to a new course start date, and re-enter on a new course date, provided that you have made the arrangements at the time you booked your course. If you have a medical or family emergency, no prior notice is needed. In such a case, your leave of absence will officially begin on the Monday following the day you inform the school of your intention to leave.

Course Breaks

For every 12 weeks of study, students qualify for one week of course break. If you have made arrangements before your arrival for a course break, changes must be arranged with the Client Services Coordinator at least 4 weeks before the original course break date. All breaks must be taken at least 2 weeks before the course ending date. Students requiring a visa for study in the USA must ensure that it is issued for the correct dates to include any breaks.

State and Federal Financial Aid

CISL does not accept or offer any loans and does not participate in any state or federal financial aid programs. If you received a personal loan to pay for your course and/or accommodation, you will be responsible to repay the full amount of the loan plus interest, less the amount of any refund.

CISL does not participate in any federal or state loan programs. If you default on a federal or state loan, both the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including garnishing an income tax refund; 2) You may not be eligible for any other government financial assistance at another institution until the loan is repaid.

Bankruptcy

CISL does not have a pending petition in bankruptcy, is not operating as a debtor in possession, has not filed a petition within the preceding five years, and has not had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code.

Placement Services

CISL does not offer courses designed to lead to a particular career, occupation, vocation, job or job title. Our students are not eligible for employment in the USA and/or do not move on to jobs in the USA that are related to their study in our English Language program.

STRF (Student Tuition Recovery Fund)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-75

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but you have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

CISL is authorized to issue a Certificate of Eligibility (Form I-20) to qualifying full-time students. The I-20 form is used when applying for a student visa (F-1) and will only be issued for the number of weeks that your tuition is paid. You can extend your course at CISL, and a new I-20 will be issued. The visa must be obtained at the U.S. Embassy in your home country before your departure. If you are denied a student visa, you will receive a refund of all prepaid tuition (minus the \$135 registration fee or other non-refundable fees) when you (i) give the school a copy of the denial letter from the U.S. Embassy and, (ii) return the original I-20 form issued by the school as well as a copy of your passport. If you require an I-20 form, you must provide CISL with documents showing that you have enough money to pay for all of your tuition and living expenses while you are studying at CISL as well as a copy of your passport. Please send these documents with your application. Financial means can be demonstrated with:

1. Evidence of financial means (e.g. a copy of a recent bank statement) to pay your tuition and living expenses for the duration of your stay; or
2. A letter of financial responsibility from your parent or legal guardian accompanied by evidence of their financial means (e.g. a copy of a recent bank statement); or
3. A letter of sponsorship from your company or organization together with evidence of their financial means.

Students taking any 20-lesson per week course and who are requesting an I-20 for a student visa will also need to take either an Afternoon Elective or attend a 1.5 hour Study Hall session each week in order to meet the 18-hour per week minimum requirement for the student visa. There is no extra charge for the 1.5 hour/week Study Hall. Students who choose the Study Hall option will have the designation "Plus" on their confirmation (e.g. "Standard Plus"). Failure to adhere to our minimum 85% attendance policy may result in termination of I-20 and dismissal from the school.

Language Proficiency Requirements

There is no minimum level of English language proficiency. All instruction is in English. A test will be given on the first day to determine the students' ability to benefit and level placement.

The school does not have dormitories under its control. However we can assist you with the following accommodation options.

Residence Clubs

Residence clubs offer you more independent living. The cost of residence club accommodations ranges from \$160 to \$987 per week. For the details and prices of the various residence clubs accommodation options, please refer to the Accommodations sections on our website and our price list document.

Advancement

It generally takes 10-12 weeks for students taking 20 lessons per week to master a level. Every two to four weeks you will have a progress check and your teacher will talk to you about your progress and your course. If you have not mastered the required material, you may stay in a particular level until you pass the level test and complete the requirements for that level.

Final Transcript and Certificate

After finishing a course at CISL, all students receive a final transcript. The transcript shows the dates of study, final grades, final proficiency levels based on the Common European Framework, and cumulative attendance. In order to receive a CISL Graduation Certificate showing successful completion of the course, a student must have a final cumulative attendance of at least 85%. Students enrolled in the Standard Course must have a score of at least “needs improvement” in participation and progress. Students with a score of “unsatisfactory” in participation or progress will not qualify for a certificate.
