

LUC JUNIOR CAMPUS *(For ages 13-17)*

June 28 - July 26, 2020

Junior Campus Programs
Chicago, Illinois

CISL students participate in enrichment courses providing an introduction to topics ranging from Conversation and the Arts, exam preparation strategies (TOEFL, SAT, Cambridge), academic subject matter (including STEM), and global business topics and leadership. These interactive lessons go above and beyond the standard ESL program. Designed to challenge and engage students, our program will give your student the analytic and critical thinking skills necessary for their future at university and beyond.

Cultural Workshops

Where is the best place to learn about the Arts and Architecture? The city where the world's first skyscraper was built, of course. Our Tuesday/Thursday Cultural Workshops will expose our students to Chicago's multi-cultural neighborhoods and thriving arts scene, allowing them an insight into the many faces of America.
