

USD JUNIOR PROGRAM *(For ages 13-17)*

June 28 - August 9, 2020

Junior Campus Programs
San Diego, California

CISL students participate in enrichment courses providing an introduction to topics ranging from Conversation and the Arts, exam preparation strategies (TOEFL, SAT, Cambridge), academic subject matter (including STEM), and global business topics and leadership. These interactive lessons go above and beyond the standard ESL program. Designed to challenge and engage students, our program will give your student the analytic and critical thinking skills necessary for their future at university and beyond.

Cultural Workshops

What better place to learn about the Environment and Sustainability than a city with miles of beautiful beaches and a world-famous zoo? Our Tuesday/Thursday Cultural Workshops will allow our students a deeper understanding into environmental issues facing our world, and focus on ways to help create a more sustainable future.
