

PRIVATE ENGLISH LESSONS

PROGRAM DESCRIPTION

Private lessons are one of the most effective methods of language teaching since they focus on the exact needs and learning style of the individual student. Each lesson is specific to the client's study or career objectives.

PRIVATE LESSONS ENSURE THAT:

- Teaching methods are adapted to the learning style of the student and to the pace at which the student can successfully learn.
- Individual weaknesses and the specific needs of the student are addressed.
- Inhibited or reserved clients receive maximum talking practice in a comfortable setting.

PRIVATE LESSON ENROLLMENT

Private lessons are taught one-on-one with a teacher. Clients benefit from having 100% of their instructors' attention and enjoy a class specifically tailored to their individual interests.

In a student's first private lesson, he or she has a conversation with the teacher, and they develop a plan together called a learning contract. The student's interests, needs, and goals determine the focus of the private lesson learning contract.
