Established in 1972, Converse International School of Languages (CISL) is recognized throughout the world as a leader in effective English language preparation, as well as accredited by the Commission for English Language Accreditation (CEA).

Our CISL-created curriculum consists of a project-driven English program, actively engaging students in their learning process. Students reinforce language skills, as well as develop new ones which will help them succeed in a post-secondary setting. Through a variety of projects and task-based activities, including debates, presentations, research, and teamwork they will improve their communicative and leadership abilities.

Students also participate in a fun-filled activity program, and live in either homestay, campus dormitory, homestay, or residence. These experiences help students gain confidence, develop life-skills, encourage effective communication and build life-long international friendships. The Junior Program staff provides personalized and quality customer service throughout the enrollment process and during the program. Our team prides itself on its ability to exceed expectations to ensure a positive experience for all.
