

PEPPERDINE UNIVERSITY JUNIOR CAMPUS

(For ages 13-17)

June 30 - July 27, 2024

Junior Campus Programs
Malibu/Los Angeles, California

CISL students are actively engaged in their learning process through a project-driven English program. Students reinforce language skills, as well as develop new ones which will help them succeed in a post-secondary setting. Through a variety of projects and task-based activities, including debates, presentations, research, and teamwork they will improve their communicative and leadership abilities.

The Global Leadership Summer Program will not only provide students with an amazing academic experience, but also offer an opportunity to develop international friendships during an exciting, fun-filled summer!

Cultural Workshops

What better place to experience the film and music industry than Los Angeles, the entertainment capital of the world? Our Tuesday/Thursday Cultural Workshops will allow our students a deeper insight into a city so often portrayed in movies and song.
